Principal’s Message

Presentation Assembly – “Aiming for the Stars”
Next Friday will be our end of year Presentation Assembly. Because our school population has grown so much we are not able to hold this event in our school hall or at Glebe Town Hall. This year we will be at the Maclaurin Hall in the University of Sydney. The Assembly will be from 12:30 -2:30. Tea and coffee will be available for adults from 2:30 – 3:00. This is an important and inspiring event and we hope you are able to join us.

Sydney Ballet Theatre:
Recently the students of Glebe PS were privileged to have a performance by members of the Sydney Ballet Theatre. We are extremely fortunate to have performances of such high calibre for our students.

Swim Safety Assessment:
To be able to swim at our end of year Picnic at Clifton Gardens, your child needs to have their swimming ability assessed. All students have been given a note to be signed by parents/carers to have their swimming assessed at Victoria Park Pool this coming Monday, 1 December. If you haven’t signed this, as a matter of urgency, please sign this note and send it back to school. Students who haven’t handed in their permission note as yet will have received a second note today. Please check their bags.

SRE Catholic Excursion next Monday afternoon:
Permission notes are needed!

November Birthdays
Anna – 1/2E
Jessica – 1/2E
Georgia - KW

Reminder:
Mrs Sales and Ms Purmomo are hard working people and the backbone of our school! Please support them by ringing way before 3:00pm if you need a message to be delivered to your child.

The Assembly this week will be hosted by KW

Have a Wonderful Week!
Vicki Pogulis
Principal
Chess Club One Day Tournament

On Monday, 24th November, Glebe Chess Club took two teams to the NSW Junior Chess, Inner West One Day Tournament, which was held at Abbotsford Public School. Oscar, Kip, Arthur, Jacob, Tianzi and Tom were our representatives. Ms Rispoli and Weng Nian Siow accompanied the teams. We had an amazing day with many chess games. The students from Glebe played very well and achieved outstanding results against some more experienced school teams. As well, they displayed excellent sportsmanship and behaviour at all times. Well done Glebe and thank you again to Weng for his support.

Ms Karen Rispoli

P and C News

Reflections on 2014

As the school has grown, so have the P&C in 2014, seeing new parents and carers getting involved in all aspects from t-shirts to BBQs, from grant writing to movie night-ing and everything in between. We have been able to continue to provide events which help strengthen our school community, as well as ones that raise important funds for works and equipment needed by the school. We have also continued to be involved in school planning and other aspects of school development with the staff and students.

Upcoming Plans for the P&C

As a P&C group, preparing for the end of one year, reflecting on what we have done, we are also looking forward to 2015.

A significant project, which we have already begun to work on, is funding for new playground equipment and soft fall in the playground space. Significant funds are required to complete such a project, but the P&C are in the process of exploring a variety of avenues in this regard. If there are parents who are particularly interested in helping out with this project, we would love to hear from you using the email address below.

Another project proposed for 2015 is to create our own Glebe Public School recipe book, again anyone wishing to get involved in this project please let us know.

We will also need to install our hopscotch mosaic in the holidays, the first significant piece of functional artwork purchased by our school P&C, to be enjoyed by students for years to come.

Any other ideas, please we are always interested in hearing from you, do feel free to grab any of us or use the email address below to address any concerns or suggestions you might have.

Cheers

Anna Playford

President Glebe Public School P&C

Parent tips

Different types of writing
You child may be asked to present an assignment in a particular text type. Text types mean writing according to a purpose or an audience. For example, factual texts inform and literary texts entertain. This fact sheet gives several examples and the purpose of different types of writing.

Choosing a book for your child
What makes a good book for young kids? Usually anything that they want to read. Resist the desire to choose only books that you read as a child. Good books teach kids things subtly while still telling a great story.

Does cartoon violence make kids more aggressive?
Lots of parents question the violence in many of today’s cartoons and video games, but many of us grew up watching cartoons where violence was also a key ingredient. What does the research indicate about exposure of our kids to violence?

Guide to technology tools
The holidays are traditionally the time for the big gifts that kids have been begging for all year. Here’s what to watch out for when choosing technology toys for your kids.

New website gives easy access to vocational courses
Students can explore the range of subsidised courses available to them in 2015 by visiting https://smartandskilled.nsw.gov.au/

The website features an Eligibility Checker and a Course Finder, which enable students to find approved training provider that meets their needs, as well as calculate their estimated fee. It also contains comprehensive information on apprenticeships and traineeships.

For enquiries, students can contact enquiries@smartandskilled.nsw.gov.au.
EARLY SPORT SKILLS FOR 2-5 YEAR OLDS

Give your child the Jump they need to build Happy, Healthy habits as they grow. BallerBees sets the foundation for Playing for Life.

Toddlers over to one of our BallerBees locations at Waverley Pavilion, Centennial Park or Pyrmont.

Dear resident,

Have your say on draft Blackwattle Bay flood studies and management plan

We previously wrote to all residents in this catchment area seeking input to prepare the Blackwattle Bay Catchment Flood Study, the Floodplain Risk Management Study and the Floodplain Risk Management Plan. The Blackwattle Bay catchment includes the suburbs of Glebe, Chippendale, and parts of Ultimo, Darlington, Camperdown, Redfern and Surry Hills.

We are pleased to advise the draft editions of these documents are now on public exhibition and available for your feedback.

The studies aim to manage flood risk more consistently, while balancing the needs of residents, businesses and visitors. The draft Flood Risk Management Plan contains recommendations for mitigation works, development controls and emergency management measures.

You can view the draft documents online at cityofsydney.nsw.gov.au/Council/OnExhibition

Printed copies of the documents are also available for viewing at:
- One Stop Shop (CBD);
- Redfern Neighbourhood Service Centre;
- Green Square Neighbourhood Service Centre;
- Glebe Neighbourhood Service Centre; and
- Kings Cross Neighbourhood Service Centre.

Submissions should be made by 8 December 2014.

For more information call Shah Alam, Senior Engineer – Water Assets on 02 9288 5925 or email salam@cityofsydney.nsw.gov.au.

Yours sincerely
