Principal's Message

Athletics Carnival Success!

What a fantastic school community day we had yesterday at Jubilee Oval for the annual Glebe Public School Athletics carnival. The highlights of the day were the amazing sportsmanship displayed by all and the community involvement and support. The day would not have been such a great success without such a wonderful school community and the fantastic organisation by Miss Chedel. Thank you to everyone for a great day. As you can see from the photographs everyone had a fun and active day. Go Glebe!!!

Footsteps Dance Program
The Footsteps dance program will start next Tuesday. If you haven’t already done so, can you please return the signed permission note and payment as soon as possible.

Stewart House Bags
We will be sending home Stewart House clothing bags next week. They will need to be returned to school by the 18 August. We will store these in the Clinic area.

Ramadan Concludes at the beginning of next week
Eid-al-Fitr is the first day of the Islamic month of Shawwal. It marks the end of Ramadan, which is a month of fasting and prayer. Many Muslims attend communal prayers, listen to a khutba (sermon) and give zakat al-fitr (charity in the form of food) during Eid al-Fitr. Many Muslims may also prepare festive meals to share, wear new clothes, visit relatives and give presents or candy to children. Cards can also be sent, often featuring the words “Eid Mubarak” (blessed Eid).

P and C News
P&C Meeting on Tuesday
Thank you to all who attended our P&C meeting on Tuesday, it was wonderful to see some more new faces braving the cold for our winter meetings. A reminder to all that we do provide childcare at Centipede and ALL parents, carers and staff are welcome to attend all P&C meetings.

This week we congratulated 2014’s Headstart teacher, Marcus Arvidson, we are thrilled about this appointment. Anyone who can spare some time on a Tuesday to Friday in Term 4 please let the office know as he will need all the support we can muster for this year’s Headstart crowd!!!

We remarked on our achievements in Term 2, and looked forward to our Working Bee, Movie Night and Kindy 2015 Welcome BBQ all in Term 3. Vicki Pogulis shared with us exciting information about our growing school community and the impacts on staffing and other initiatives and we had a good discussion about our school playground.

Working Bee
We are organising a Working Bee in our school grounds on Sunday 10th August. If you have any interest or ability in gardening, painting, cleaning and general maintenance please join us from 11am to 3pm (or any time you can spare) on the day. The P&C will be providing our helpers with a BBQ lunch from 1pm.

Movie Night
Later this term we are hoping Brett Garten can organise some more fabulous flicks for us to huddle together and enjoy in our school hall. Watch this space for more details, but if you are interested in contributing to this event in any way please contact your friendly P&C in the playground or using the email address below.

Cheers

3-4D have had a great start to Term 3

We started our School Drama program on Monday and explored the meaning of some of the key ideas of our focus text, Shaun Tan’s The Lost Thing.

Home

I am exploring the meaning of the word home. I really enjoy staying at home because I get to go on my laptop and play Minecraft. In Minecraft I build Pixel Arts which are buildings that are 2D. Haekal

I can’t wait to come home from school because I have a new puppy called Summer. Jade

At home I am happy because I can read lots of books. At my yiayia and pupou’s house I can read lots of books and do lots of cooking. Zoe M

Friendship

Friendship is when your friend is nice to you and they do not hurt your feelings and they make you happy.

I am exploring the meaning of the word friendship. On my first day at Glebe Public School Zoe M, Emily, Zoe F and Evie welcomed me with open arms because they smiled at me and helped me when I got hurt. That is friendship. Emilia

My friends make me happy. I play with my friends. I like my friends because my friends are nice to me.

I have a very good friend his name is Wesley and I know he is a friend because I can trust him. Shannon
Outcast

When I came to Australia and heard all the people speaking English I felt like I didn’t belong here. When I felt that, I wanted to go back on the plane and leave Australia, but I was too scared. I was very dizzy from the plane trip and I wanted to faint. On my first day at school Mr Chase introduced me to my classmates. They were all silent, then Arika said “Hello Rex”, and then the others welcomed me. Rex

Lost

Mum, Tom and I went to Cockatoo Island and Tom and I played together with a green ball. On the way home the green ball got lost. Tom said he had a green ball at home and he would give it to me. I am happy. Tianzi

One day mum and I went to Broadway. It was busy as always. Different people doing different things, scurrying up and down escalators like worker ants. I was distracted by a colourful sign. It sparkled like a blaring neon star. Somewhere over the rainbow skies are blue. Somewhere…. I turned around, mum wasn’t there anymore.

Mum, mum! mum!! Of course I didn’t say this aloud. I looked back to the sign pretending not to notice I was alone. Suddenly the sign didn’t seem so interesting (I was scared). I started thinking about stranger danger. I got more and more worried. Then suddenly I saw her and a wave of relief swept over me. Jacob G

The art works were created by the students in art with Ms Seymour. This links to our learning about early explorers.
