Principal’s Message

Welcome Mr Macdonald!
We would like to welcome Mr Macdonald to our school. Mr Macdonald will be teaching our newly formed 3/4M class.

2015 Kindergarten Information BBQ
A big thank you to everyone involved in making the 2015 Kindergarten Information BBQ such a success! It was wonderful to welcome new families to our school community as well as meet some of our new Headstart students.

Father’s Day Stall
On Friday 5th September, Year 6 will be holding a Father’s Day stall as part of their fundraising towards their end of year luncheon.

All students from Kindergarten to Year 6 will be able to purchase a gift token for a special man in their life. Gift tokens are $2.00 each.

In order to ensure that all students are able to buy a gift, there will be a limit of one token per student.

4/5 Excursion to MCA
On Monday 1st September, Class 4/5L accompanied Mr Lee and Ms Seymour to MCA, Circular Quay. After viewing some artworks they participated in a variety of art workshops.

The students were engaged and asked intelligent questions. The staff at MCA praised the students for their behaviour and participation.

I’ve already used some of the creative ideas from the MCA to make pipe cleaner faces in the senior EAL/D English lesson!

6B & 4/5L Art Excursion
Last Friday, students from 6B and 4/5L visited the Fountain 77 Art Gallery, Glebe Point Road to view paintings by Mercia Bush and Clyth Hoults.

Mercia Bush explained what inspired her to become an artist. Robert Shepherd arrived at the Gallery with his art portfolio. He shared his artistic story and showed the students some of his artwork.

As a parting gift Mercia gave each of the students one her watercolour cards and a pencil.

It was an inspirational experience for all the students.

Book Parade
The Book Parade will take place tomorrow, 5th September and students are to come dressed as their favourite book character. Please make the costume as simple and easy as possible as there will be limited time to change before the assembly as students will not be wearing their costumes during the school day.

Cooking with 1/2B
Last week, 1/2B made pikelets as part of their work on procedural writing. The class was supported by Anna Playford and Lucia’s mum Antonia.

South Coast/Sydney house swap, 2015

Would you like to live on the south coast next year? We’re looking to do a house swap with a Sydney family for 2015. We would like to be close to Sydney University, and give our children a taste of Sydney life for a year.

Our house is in the seaside village of Congo, about 10 mins east of Moruya. Congo offers superb surfing, fishing, canoeing and swimming, and our house faces north onto Congo Creek.

The house

The house was fully renovated a couple of years ago, and features an open plan living/dining/kitchen area which overlooks the creek. It has three bedrooms, two large decks and a rumpus/guest room.

The garden

We have many fruit trees in the garden, and a large vege patch and chook run out the back.

Moruya

There are two great primary schools and a high school in Moruya, and the bus stop is at the front door of the house. Moruya also has an airport, and the main hospital for the district. It also has some great community gardens, weekly produce markets, Jazz festival and lots of other community events.

If you are tempted, please contact amy on 0407 970 440 or at amyway1000@gmail.com

ABC 1 Documentary Casting Call

ABC TV is developing a documentary that looks at the frantic pace of life in the modern family. Production company 360 Degree Films is currently casting for Sydney-based families with one or more children under 17, including single parent households, who feel they are stuck in the ‘more-more-faster-faster’ family model thrust upon us these days. At least one parent must be willing to change the pace of their super-scheduled family life.

The program will look at what happens when global ambassador for the Slow Movement and advocate for calming the pace of family life, Carl Honoré, enters three Australian homes where gadgets rule and fast is the only speed. He unplugs the kids and parents. He tears up their jam-packed schedules. He serves up a recipe for making family life a journey or an adventure rather than a rat race.

Will slowing down make family life happier, healthier, richer and more rewarding? Or is there no turning back? Carl’s slow coaching will last 4 weeks. Filming will take place over 6 weeks in October and November this year. If you are a family who genuinely relates to this topic please contact Alex at familycasting@outlook.com.au
If you’d like to know more about Carl Honoré visit www.carlhonore.com
