Principal’s Message

Foley Park Picnic
Next Monday, we are very fortunate to have a team of volunteers coming from Mirvac to support our school by cleaning, repairing, improving and constructing various things around the school. As there will be lots happening at the school site on this day, all students will travel to Foley Park where we will spend the day enjoying a picnic! Students will NOT be able to order their recess and lunch on this day. The Lims will not be taking orders. Parents are asked to leave the school grounds at 3:00pm. There will be no Tennis or Drama on Monday. Please access Centipede only if absolutely necessary.
- Leaving school at 9:30am
- Returning to school by 3:00pm
- Foley Park – Cnr Bridge Rd and Glebe Pt Rd
- Comfortable picnic clothes and hat. School uniform not required
- Packed Recess, Lunch and water

Congratulations to Hugh from 5/6B
Congratulations to Hugh for winning the Lend Lease name a crane competition. The ‘KRATOS’ (meaning Greek God of might and strength) crane is now on display for everyone to see at Darling Harbor.

P&C News

HUGE thank-you to The Good Guys at Alexandria

...for their generous donation of a brand-new chest freezer to Glebe Public School. This is an appliance which has been needed for some time and will replace the old, leaky one in the canteen area. The freezer will be beneficial in our fundraising efforts, allowing bulk storage of items such as sausages, ice blocks and the like for BBQs and community events. We are also hoping to hold a Paddle Pop Day later in the year.

Shout-out to our friends at The Good Guys for lending a hand – check them out if you’re shopping for whitegoods, appliances etc. in the near future! They can be found at: Alexandria Homemaker Centre
49-59 O’Riordan Street, Alexandria 2015

Upcoming dates for the diary:

Bunnings BBQ: Sunday Nov. 15th at Ashfield

This is a once-a-year opportunity to make a dent in the school’s fundraising goal. Last year we raised over $3,000 in one Sunday serving sausages and drinks to the public, so it is well worth the effort. If you would like to help out on the day, even if you can only spare an hour, please let us know! Call Deb Hannon, volunteer co-ordinator, on 0418 271 874 or email committee@glebeschool.org.au.

Christmas Cake Stall: Saturday Dec. 12th outside Cincotta Chemist

Kylie Adams has been busy making authentic Christmas fruit cakes in preparation for this event. We need more keen bakers to get involved as the date edges closer. Please email us on the address above if you fancy yourself as a pastry chef and would like to contribute to the cake stall.

P&C Meetings

The next meeting will be on Tuesday, Oct. 27th, at 6.30pm in the school Computer Lab. All parents and carers are welcome to come along, share some drinks and nibbles and participate in shaping the direction of the school. Childcare will be provided at Centipede from 6.30-8pm.

Welcome to Headstart 2015

The P&C extends a warm welcome to our Glebe-families-in-training who commenced Headstart this week. It’s never too early to start getting to know your fellow parents and the fabulous staff who will be working with your children in future. If you’d like to be added to the ‘Friends of Glebe School’ email communication list, please send a request to: committee@glebeschool.org.au.

Stage One. Term 4

Stage One are reading and writing imaginative texts this term.

We have been learning about rhymed verse. Dr Seuss’s ‘There’s a Wocket in my Pocket’ has been an inspiration for our very own nonsense rhymes.

In Focus - the premiere screening of works produced by Glebe primary school students and the Framing Health Project.

You are warmly invited to come and celebrate the students' achievements by joining us for the official launch of the films.

What is the Framing Health Project?

Framing Health 2015 is a partnership between the University of Sydney School of Public Health and Souths Cares. Students on the Graduate Diploma of Indigenous Health Promotion and local Aboriginal and Torres Strait Islander students from Souths Cares partner high schools have undertaken a series of workshops throughout the year to produce short promotional film clips on health.

What is the 2015 Stop Motion Animation Project?

The 2015 Stop Motion Animation (SMA) Project is a partnership between the Glebe Community Development Project (GCDP), Compass, Centipede Centre and Middle Ground. We worked with school students aged 8 to 12 years-old to provide a learning opportunity that focused on skills development and positive community engagement through the making of a stop motion animation film.

The premiere screening of works produced by Glebe primary school students and the Framing Health Project.
The Glebe Society has received funding from the Anzac Centenary Program and will hold an exhibition in Glebe Town Hall from October 5th – 25th

**Sacrifice, Struggle and Sorrow**

**Glebe’s Great War 1914 –1918**

The exhibition will examine the impact of the First World War and its immediate aftermath on the Glebe community.

- Do you have memorabilia from the First World War that could be lent to the exhibition – souvenirs, diaries, photographs, letters, items of clothing, medals or badges – which recall that time, and the impact of the War on Glebe, or on your family?
- Would you like to volunteer to help with the project, including giving your time during the exhibition?

**Community participation is an essential feature of this exhibition**
