School Picnic, 26th October:

On Monday, 26th October, The Mirvac Company will be doing some work at Glebe PS as a contribution back to their local community. There will be cupboards and shelves built, painting done, garden work done and other general cleanup jobs. On this day, the school will be going on a Picnic to Foley Park. Please join us! Could I also ask if parents could not be on the school grounds after 3:00 on this day. The students will wear Picnic clothes on this day. **We will not be having dressup for Halloween this year.**

Book Club Parent

At many schools a parent volunteers as a Book Club coordinator. I would like to have someone support this program at Glebe PS in 2016 please. Please see me, Ms Pumomo or Mrs Saleh if you are interested.

P&C Meeting

Our only formal meeting for this term will take place on the night of Tuesday 27th of October from 6:30pm in the Computer Lab. Come along and help us plan for the remainder of Term 4 and looking towards 2016.

A celebration will be organised at a future time to celebrate all that we have achieved in 2015 - watch this space.

Glebe Street Fair & Bunnings BBQ 15th November

The 15th of November is set to be a very big day for Glebe Public School P&C. It is the date of the annual Glebe Street Fair - at which we will have a stall selling tshirts, bags, aprons etc. It is also the date we have been assigned a BBQ spot at Bunnings in Ashfield. We will need every available volunteer on deck for the day as we try to manage an 8am-4pm BBQ and a stall at the Fair as well as selling car parking spots to fair goers. If you thought you might like to help the P&C out once this year, this is the day to do it. We need all the help we can get to successfully negotiate both of these events. If you have any availability at all, please let a member of the P&C know - either in the playground or using the email address below.

Cheers

- Label a graph (heading, y and x axis)
- Select an appropriate type of graph to represent our data (column, line, picture)
- Pose questions about the data to consolidate our understanding.
