Principal’s Message
Harry Potter Day
Thank you to Mr Lee and 4/5L for organising a wonderful Harry Potter Day! It was excellent to see so many students enjoy this day. There will be more information about this day in the Week 10 edition of Glebe Matters.

A special thank you to Anna M (mother of Erica) and Maris who both went to a lot of trouble to organise costumes and props for this day.

What’s on this Term?

Charles – 5/6B
Arthur – 3T
Josiah – 3/4A

From the Office
A reminder to parents/carers if they have any outstanding monies owing for uniforms/sport please pay to the office before Wednesday 24th June, 15. Thank you!

Trivia Night Success!
A big thank you to everyone who was involved in making the trivia night last week such a success! It was fantastic to have so many people attend and share in a wonderful night of laughter and fun!
P and C News

Trivia Night - thank you

A huge thank you to our wonderful events subcommittee who put in enormous effort planning and preparing for the weekend’s Trivia night. To Deb, Jo, Rachel G, Rachel L, Tracy, Kylie and Carmen, thank you for an amazing night of support for our wonderful school and our fabulous school community.

To all those who attended (and spent large in the name of fundraising) thank YOU for your support.

NAIDOC Week - family day - 12th July

Another reminder that on Sunday 12th July (the last weekend of the winter holidays), Kate Brennan is organising the family day as part of NAIDOC week. It is to be held in our wonderful school from 11am-3pm and Kate would love your help with all of her various activities. If you can spare an hour or two please either see Kate or myself, or use the email address below to let us know.

There is also an opportunity to sell our Glebe shirts at this event, if anyone is keen to look after this, again please let us know.

Next P&C Meeting - 21st July

Our next meeting will be held on Tuesday 21st July - the second week back in Term 3. Our new SLSO, Danielle, and new CLO, Cate, will be our guests at this meeting talking particularly about our new look website and our increasing Chinese community at Glebe Public School.

School website

DID YOU KNOW that the School website has been upgraded, updated weekly and now includes:

- a translation tool for changing website text into one of 90 languages
- details about the 2016 Kindergarten families tour
- current Glebe Public School news rather than just generic Education Department articles
- clear links to online enrolment forms, including translated versions
- more events and information in the calendar section
- new photos

Further updates and improvements are being incorporated each week, including Parent Class Representative reports to appear in the class pages of the School Years section from Term 3.

Cheers
Anna Playford
President Glebe Public School P&C

Creating colourful rainbows with chalk.

Designing and building a castle.

Making lemonade for our lemonade stand.

Taking calls and writing notes in the office.

Play Based Learning in Kindergarten.

Engaging in play enables children to use and develop thinking skills such as problem solving, reasoning and lateral thinking. It offers opportunities to interact with others, develop communication strategies and work in collaboration with peers and adults.
