Principal's Message

Multicultural Day

The Multicultural Day events last Friday were fantastic and it was wonderful to have such a strong sense of community and unity at Glebe Public School. The dishes of food that were provided by families were delicious and the efforts that families made were much appreciated.

These events cannot happen without organisation and I would like to especially thank Ms Seymour, Miss West, Mrs Dealy, Danielle and Cate for organising this event. The support and hard work of all parents and staff was noticed and appreciated. A special thanks to Kylie who worked throughout the day, went off to her job and then returned to help clean up. Fantastic support!

What are we doing in Darling Harbour?

- The NSW Government and Darling Harbour Live are partnering to create Australia’s premier convention, exhibition and events destination, ICC Sydney, along with bigger and better public spaces and improved pedestrian connections, all opening in December 2016.

- The Children’s Playground and The Chinese Garden of Friendship will be available throughout the work so there is still plenty of space to enjoy at Darling Harbour while it undergoes its spectacular transformation.

What are we doing in your newsletter?

- The Darling Harbour Live project team has invited your school to participate in our ‘Name the Cranes’ competition.

- Winners will receive a $200 book voucher for their class, a family pass to the Sydney Sealife Aquarium and an invitation for them, their teacher, and classmates to join the team outside our construction site for the very important naming ceremony!
