Welcome back to Glebe Public School for Term 3!

Reminders
PLEASE ensure that your child/children have their name/s on ALL of their belongings (uniform, hats, lunch boxes etc)

Athletics Carnival
Our Athletics Carnival will be held on Tuesday the 21st of July (next week!), weather permitting. It will be a great day and a wonderful showcase of sporting ability! If you are available on the day we would love your support! Please contact the school or your child's class teacher to express your interest. The more hands on deck, the better! The forecast for the weekend is looking pretty miserable so let's keep our fingers crossed for a dry day on Tuesday!

Dominique Chedel – Sport Organiser

Happenings in 4/5L

During English this semester, students in 4/5L will be learning about Aboriginal bush craft and exploring ways that Indigenous people survived in the Australian outback.

JULY Birthdays
Jayden Lee – 19th
Zara – 14th
Clayton Ting – 15th

Have a Great Week!

P and C News

Welcome Back

The P&C hopes you and your families had a safe, happy and restful holiday break and are feeling refreshed and ready for Term 3.

P&C Meeting - NEXT WEEK

Our first P&C meeting for the Term will be held on Tuesday 21st July - next week. Our new SLLO, Danielle, and new CLO, Cate, will be our guests at this meeting talking particularly about our new look website and our increasing Chinese community at Glebe Public School.

P&C in Term 3

This term our focus will continue with fundraising for our school playground. Our major event will be the movie night planned for Friday 14th August.

Photographers needed

Another reminder that we are after people with nice camera equipment and some photography know-how for our recipe book.

Planning is underway to create our own Glebe Public School cookbook, and we would like to have some really nice photos in it, but we need the help of a photographer.

If there is anyone willing to help out, please let one of the committee know or contact us on the email address below.

Cheers
Anna Playford

200 recycled cardboard boxes were transformed into 300 canvases and art-science workshops delivered by artists and scientists to 300 primary students. The science topic this year was BLUE CARBON and the program included field trips to the Glebe foreshore and the Nepean river. The artworks were exhibited at the 2015 Pyrmont Festival in May & Forest Lodge Primary School in June 2015.

Culture at Work is a not for profit organisation and Research Institute based in Pyrmont. Transforming our world.

With trained Early Childhood Educators, the Save the Children Mobile Playscheme program provides early learning activities and parenting support for families and children. The free program operates from a mobile play-bus (fully-stocked with early learning toys and resources) and provides weekly quality educational experiences for children aged 0-6 years. The program places a strong emphasis on healthy development and school readiness, connecting families to each other and to their local communities. We also provide a healthy morning tea, and a wonderful chance to meet new friends, share experiences and have fun.

Hope to see you there.

ALL WELCOME
