Principal's Message

It has been another busy and productive week at Glebe Public School!

Farewell to Kim!
This week we say farewell to Kim Payne, who has been the Coordinator of Centipede for the last 5 years. We thank him for his enthusiasm, dedication and care of all the children who have passed through the doors of Centipede and wish him all the best with his future endeavours!

Attendance
It is vital that all students are at school and on time every day. Should your child be absent for a whole day, please provide a written explanation for the absence.

Administering Medications
Should your child require medication to be administered during the day, you must complete the ‘Permission to Self Administer Medication at School’ form. Should you require a copy of this form, please see the school office.

Footsteps
Footsteps dance program started this week and it was wonderful to see our students learning new movement skills and getting fit! There are still several students who are yet to pay for this activity. If required, please make your payment of $20.00 to the school office as soon as possible.

Maths 1:2:1
It was wonderful to see the Maths 1:2:1 Program in action this week. Our students love the activities and the volunteers from Ernst and Young are doing a fantastic job at engaging our

Jump Rope For Heart
Jump Rope for Heart program is in full swing and students have been developing their skipping skills during recess and lunchtimes. All students received a sponsorship form last week and these can be returned to school on completion of the program on Friday 28th of August.

Class 3T Writing Workshops
This week, students in Class 3T started a 6 week writing program in conjunction with The Sydney Story Factory and Glebe Community Development Project. The theme of the program is ‘Unity’ and will involve the sharing and writing of stories that are significant to our lives and experiences. We thank both these organisations and the people involved for their support of Glebe Public School.

Glebe Public School Website
There have been many updates made to the Glebe Public School website over the past few months. It is worth taking some time to have a look and find out information such as upcoming events and the latest news.

Fairfield City Farm

Firstly, we arrived there from G.P.S. I wanted to get in first but sadly I could not. Secondly, I saw a Shetland pony but we didn't have bread to feed it. Then I saw a peacock as it looked like it was looking for a three course meal. After that, I saw Coco the camel. Luckily he did not know how to spit because he was only nine years of age. Next we saw a joey but sadly her mum got ran over by a car so she got donated to the farm. Then we went to see the pigs and piglets. After, we milked a cow and petted it. Lastly we watched a whipping show, then a shearing show and then petted more animals. Finally we went back to school on a bus.
