Parent Information Sessions
Thank you to those parents who attended the information sessions on Wednesday afternoon. If you have not had contact with your child’s teacher, please make an appointment.

Reminder
Should you have any concerns regarding other families children, please do not speak to them directly, but rather speak to your child’s class teacher.

Absence Slips
Should your child be absent from school, please provide a written explanation for their absence and send it to school with them on their return. We recently had a blitz on late arrivals to school. There were 43 late arrivals in a week. We will repeat this blitz in Term 4 and hope we have an improvement.

Stewart House
We sent a cheque for $255 to Stewart House yesterday resulting from our fund raising. Four students are currently at Stewart House.

Featherdale Wildlife Park Excursion
Kindergarten students visited Featherdale Wildlife Park on Monday, as part of their learning about Australian animals. Students explored the park and enjoyed observing the animals. It was a great opportunity for students to gain a deeper understanding of the animals they have been learning about this term. A workshop with the Park Education Officer enabled students to get up close to native birds, reptiles and even pat a koala. Thank you to the parents who came along and supported the staff and students. It was a great day! - Jessamy Rush – KR Teacher/AP

Disco
The Footsteps Disco, which was held on Tuesday, was an excellent event and thoroughly enjoyed by our students. The participation and behaviour was of an excellent standard and this was a wonderful way to conclude the program. The “Security” employed for the event was very impressed with the behaviour and the enjoyment of all!

2015 Glebe Street Fair and proposed Bunnings BBQ - Can you help?

The annual Glebe Street Fair will take place this year on November 15th. For those who are new to the community, this is a community event run by the Glebe Chamber of Commerce in conjunction with City of Sydney. The P&C always holds a stall at this event where we take the opportunity to sell our branded ‘Glebe t-shirts’ and raise some funds for the school. There will soon be call-outs for volunteers to assist with printing of the t-shirts in the lead up to the event and working on the stall on the day. If you are already interested, please send an email to committee@glebeschool.org.au.

Bunnings BBQ

We have been offered a spot at Bunnings to hold a fundraising BBQ again this year. Unfortunately, it falls on the same day as the Street Fair. To be able to take advantage of this opportunity, we need extra hands on deck. Last year, we raised several thousand dollars on our Bunnings day, making it a very worthwhile fundraising effort. If you are able to help for an hour or longer serving up sausages to the public at Bunnings Ashfield on November 15th, we NEED you! All funds raised will go towards the goal of upgrading our very old, very worn school playground equipment.

Please email the P&C (committee@glebeschool.org.au) or see one of us in the playground. If you are not familiar with the P&C, please ask a member of staff to point you in the right direction and we can have a chat about how you can help.

Bush food tasting in KE

This Term Kindergarten’s Human Society and its Environment topic is ‘Our Needs’. We have been learning about the things humans need to survive such as food, water, shelter, clothing and air. Last week we explored the ways that Aboriginal people traditionally hunted and gathered food from the land. Students tried a range of native foods and looked at images of the ingredients as they are found in the wild. Aunty Wendy shared stories of the bush foods she eats and we also watched a video of people digging for and cooking witchetty grubs and a goanna.

Aunty Wendy made delicious Johnny cakes which we ate with Rosella flower and Wild Plum Jam.
We tried dukkah made of wattle seeds, bush tomatoes and saltbush.

As a treat we had preserved quandongs and muntries in syrup with ice-cream!
