Principal's Message

Maths KLA Day Success!
The Maths KLA Day was a huge success and it was wonderful to have the involvement of parents, carers and friends! It was wonderful to see all students engaged in a variety of learning experiences about measurement. Thank you to Mr Barthes and Mr Clough for coordinating the day.

Congratulations Jade!
Congratulations to Jade from 5/6B on achieving 2nd place in the 10 years and under freestyle at the District Swimming Carnival!

Mathletics Payments Due!
We are still waiting for a number of payments to be made for this program. If you have not yet made your payment of $25.00, please do so as soon as possible. Should there be a reason as to why you are unable to make this payment, please speak to Ms Pogulis.

Kindergarten Information Session
On Tuesday evening the Kindergarten information evening took place. This was a great opportunity for parents to gain an insight about the learning that is taking place in Kindergarten. Information sessions for Years 1-6 will take place this term with the dates to be confirmed in the coming weeks.

Swimming
Please ensure that all of your child’s belongings are clearly marked with their name and class. We are finding a variety of items after each swimming session that do not have names. Please check the silver seat between the student toilets.

The National Young Leaders Day
On Monday, our school leaders attended 'The National Young Leaders Day'. Under the theme of 'Mastering the Little', they learned about how the little things they do in their daily life as a leader will end up creating big things that can change their life, the life of their community and potentially the life of the country. We listened to amazing public speakers as they shared their experiences as leaders in their chosen fields and how by doing the little things they achieved a lot in the long run.

GLEBE T-SHIRTS

You might have seen our colourful Glebe T-shirts around the neighbourhood. Apart from looking super cool, they are a great way to raise funds for our wonderful school. But we need your help!

HOW YOU CAN HELP:

1. Join the print crew! We print on a semi-regular basis through the year - Fridays, from 9.30am in the school canteen (except in heavy rain). If you are keen to try, please email Antonia.fredman@gmail.com. Or just turn up on the day. EXPERIENCE IS NOT REQUIRED. Just don’t forget to wear old clothing - you may get splattered!

2. Help us sell shirts. Our first stall for the year is coming up soon - Glebe Markets, Saturday 12 March, 10am-4pm, on the school grounds. We will also need help with setting up (8-9am) and packing down (4-5pm). If you can help, please email Antonia and let her know when you are available.

3. Do you have great ideas to help us promote or sell items? Do you run a local sporting team that would love to order shirts in team colours? Or an art club that needs aprons? Let us know!

4. Can you donate your unwanted, functioning hairdryer, to help us dry our screens in rainy weather? If you can help, please leave the hairdryer at the school office, labelled ‘Glebe T-Shirts’.

5. Buy our stuff! Come to our stalls through the year, or visit us on Fridays in the canteen to see what we have in stock. We also take orders – and our calendar of pre-order dates and events for 2016 is coming soon.

6. Like us on Facebook! Share with your friends and family! www.facebook.com/GlebeTShirts
